Restaurant & Cafe Sales — Weather and Revenue

Balaji Fast Food, Mumbai (INR)

Balaji: Temperature vs Daily Revenue

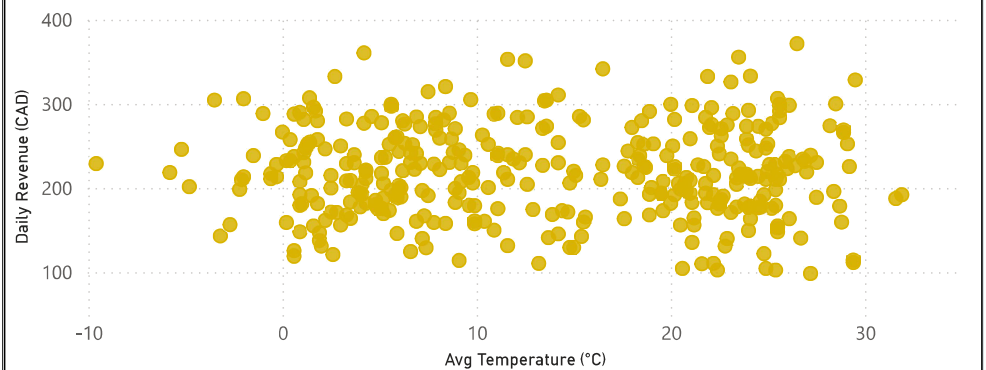

Balaji: Avg Revenue by Weather Condition

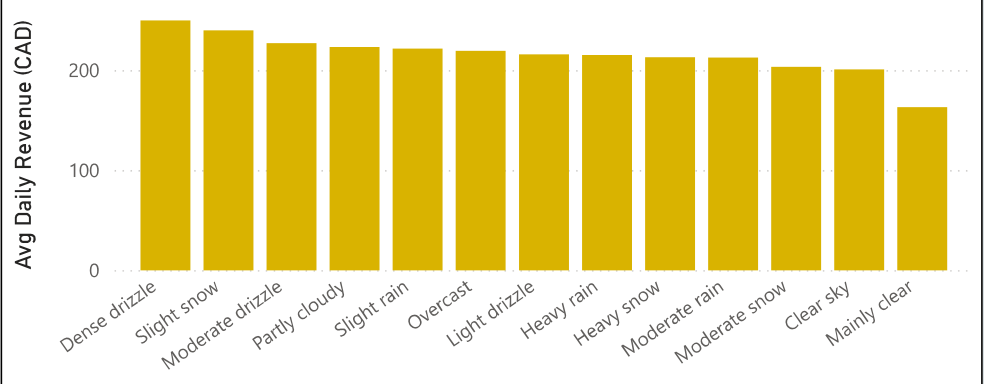

Toronto Cafe (CAD)

Cafe: Temperature vs Daily Revenue

Café: Avg Revenue by Weather Condition

Key Finding: Weather is not a meaningful revenue driver for either store. Balaji revenue varies within a narrow band regardless of temperature or precipitation. Toronto Cafe revenue remains flat across all seasons and weather conditions, including snow. Operational and behavioral factors appear to drive revenue, not weather.
